Dear Ms. Marz:

This letter is to acknowledge receipt of your Public Records Request received 10/22/2019. It is our understanding that you are requesting:

1. A record of public records requests submitted to the above agency that lists the date of request, the requester's name, the requester's organizational affiliation, a description of the request and the county's response for the years 2016, 2017 and 2018.
2. Records of total direct revenue and expenses (i.e., no including overhead) relating to the processing of public records requests in 2016, 2017 and 2018.

Having reviewed your request, we are unable to provide you with either all or part of the requested record(s). The basis for this denial is: there are no records in existence that supply the requested information. Per Nevada's Public Record Law (NRS 239.010) a governmental agency is not obligated to create a new public record where none exists in order to respond to requests for information.

Should you have any questions regarding your request, please contact Julie Nicholson at 775-482-8114.

Pursuant to Nye County Sheriff's Office policy and NRS 239 if you are not happy with the response received you may proceed to the District Court. If you would rather have the Sheriff conduct an internal review of the request and attempt to resolve it informally, you may submit an appeal internally to sheriff@co.nye.nv.us and Sheriff Wehrly will review the request and response. This in no way limits your ability to appeal to District Court if you'd rather.

Sincerely,

Julie Nicholson
